

**Get ready and set
for your FBS exam...**

Key benefits:

- flexible learning
- effective FBS exam preparation
- guidance on exam technique
- practice questions
- case study questions and answers

Our online FBS exam preparation module – a great new way to maximise your chances of passing the FBS exam with flying colours. Specially designed to help you prepare for the exam conditions and content, this is an essential new addition to our Professional Skills Course package.

Key benefits of the online module:

- flexible learning – log in and study at your own pace
- helps you to prepare effectively for the FBS exam
- provides guidance on exam technique
- gives useful and relevant advice on time management
- illustrates how to maximise your answers to pick up available marks
- practice multiple choice questions
- practice case study questions
- corresponding case study answer guides
- suitable for public or in house PSC modules

The module includes four mock multiple choice tests, each of which contains 15 questions (and so reflects part 1 of the FBS exam). After you have taken each test, you can reflect on your performance in a test review screen. This will show how many questions you got right, and review any incorrect answers. The rest of the module features a range of case studies which can also be completed and reviewed.
